May 3, 1994 – December 23, 2024

Dr. La'Bront DaVoney Gisele Moore-Stone, a servant of God, man of unwavering faith, devoted husband, cherished father, beloved son, and community leader; entered eternal rest on December 23, 2024, at the age of 30. His life was a shining testament to humility, purpose, and dedication to the calling placed upon him by the Lord.

Dr. La'Bront answered the call to ministry at the tender age of four, delivering his first sermon with a conviction far beyond his years. His walk with Christ shaped every aspect of his life, becoming the foundation upon which he built a legacy of love, kindness, and compassion. His life's mission was to inspire, encourage, and uplift, sharing the light of God with everyone he encountered.

As a husband, Dr. La'Bront was a pillar of strength, a confidant, and a steadfast partner to his wife, Kenyale Stone. Their marriage was a sacred bond rooted in faith, joy, and mutual respect. Together, they created a home filled with laughter, love, and the daily practice of prayer.

As a father, he was the heart of his family, a hero to his children, La'Bront Jr. and Nia. With wisdom and unwavering patience, he nurtured their spirits and instilled in them the values of faith, service, and love. He was their protector, their role model, and their greatest supporter.

As a son, Dr. La'Bront brought boundless pride and joy to his parents, Shannon La'Bront Stone and Dr. Susie (Moore) Joseph. Their influence was evident in his kindness, respect, and the devotion he

displayed to his family. He carried the lessons they taught him with grace, honoring their love through his actions and words.

Dr. La'Bront's life was one of profound impact, reaching far beyond his immediate family. He is survived by his wife, **Kenyale Stone**; his children, **La'Bront Jr. and Nia**; his parents, **Dr. Susie (Moore) Joseph and Shannon La'Bront Stone**; and his elder brothers, **Shannon Stone Jr. and De'Shaun Stone**, as well as a host of other siblings. He is also survived by his grandparents, **Dr. Kristi and Dr. Lawrence Daniel**, and **Dereck and Melba Galloway**; his great-grandmother, **Dr. Susie Moore**; and his uncles and aunts, **Keith Dawson, Sheila Dawson, Tashelle Johnson, and Danielle Hall**, along with a large extended family and dear friends who will forever cherish his memory.

He was preceded in death by his great-grandparents, Wilbur and Bernice Stone, and LD Moore, as well as his great-aunt, Crystal Stone-Edmonds, and grandfathers, Reginald L. Farro, and Keith Dawson, Sr.

# Our Dearest Daddy

We may be too little to find all the words, but our hearts are filled with so much love for you. You were our everything—our protector, our comfort, and the one who made every moment feel special. You held us close when we needed you most and filled our days with laughter and warmth.

We'll miss your gentle smile, the sound of your voice, and the way you would always tell us how much you love us, over and over, reminding us that we are one of the most precious gifts in your life. You make us feel so safe, so cherished, and so important.

Even though you are not here to hold us anymore, we feel you in our hearts every day. We know you're still watching over us, wrapping us in your love, and sending us strength. You gave us a gift that will last forever—the foundation of our faith in God, the gift of your love, your kindness, and your unshakable belief in us.

Thank you, Daddy, for being the best Dad in the world to us. We will carry you with us in everything we do, and we promise to make you proud. We love you more than words can ever say.

With all our love forever and always,

*LJ and Nia*

## OUR DEAREST LA'BRONT,

From the very moment you were born, our hearts were filled with an indescribable joy. You are our gift from God, a light that brightened our lives in ways we never could have imagined. Even as a little boy, it was clear that you were destined for something extraordinary. When you preached your first sermon at home at the tender age of 4, the family stood in awe, knowing that God had placed a special calling on your life.

Your commitment to ministry was a testament to your heart for God and His people. You carried that purpose with grace and passion, always striving to live a life that honored Him. Whether in the pulpit or through your everyday actions, you made it clear that your faith was the foundation of everything you did. We are so proud of the man you became—a man who walked boldly in his purpose and inspired everyone around him.

But you were so much more than your ministry. You had a zest for life and a heart full of love for so many things. As a teenager, you kept active with sports and the community by playing football and golf with the same passion you brought to being active in Student Council, the Westwood School District, Belleville community, and you could spend hours immersed in politics, government, and spirited debates.

You loved shooting pool, creating music cadences and playing percussion instruments, the piano, and letting the melodies of classical music fill your spirit. And, most of all, you loved your family with a depth that touched us all profoundly.

La'Bront, there are no words that can truly describe the depth of our loss and the ache in our hearts. We will miss your smile, your laughter, and the way you made every room brighter just by being in it. We will miss your wisdom, your strength, and your unwavering faith. You made us so proud, not just because of your accomplishments, but because of the kind, compassionate, and devoted person you were.

Though our hearts are heavy, we **TRUST** in God's perfect plan. We know that He called you home because your purpose here was fulfilled, and you did it with excellence. "Well done, thy good and faithful servant"— are the words that must have greeted you as you entered heaven.

We commit you back to Christ, from whence your life first began. Though the pain of letting you go is great, we find comfort in knowing that you are now at peace, resting in the arms of God who loves you most.

We love you, our son, more than words could ever say. You will always be, our pride, our joy, and our greatest blessing. Until we meet again,

*Momma and Dad*

## OUR BELOVED DR. LA'BRONT

These mere Words cannot fully express the depth of the love and pride we feel as we write these words that has given us a measure of peace; though our hearts ache from the void your passing has left in our lives. You were a gift to us and this world—a shining light, a faithful servant of God, a dedicated family man with an embodiment of love and grace. It seems impossible to grasp that you are no longer here with us, but we find comfort knowing that you are in the presence of God.

From the moment you came into this world, you brought such joy into our lives. Your laughter, your curiosity, and your kindness filled our home and hearts. We watched you grow into a SOLID young man of faith, a man who deeply loved his family, a man who wanted the best for his children, and a man of compassion for others as well. These qualities reflected your deep love for God and His people.

Becoming a pastor was the calling you were predestined for from birth, and you embraced it with humility and passion. You touched the lives of so many with your words, prayers, and unwavering dedication to the Gospel of Jesus Christ. We have no doubt that the time you lived on this earth was spent in a way that brought glory to God.

Even in our sorrow, we thank God for the time we had with you. Your courage, wisdom, and faith will forever inspire us. Though your journey in life ended too soon, your legacy continues in the lives you touched along with the seeds of love, family, and faith you planted.

We miss your smile, your voice, and the warmth of your presence; but we hold onto the promise that this is not goodbye forever. One day, we will be reunited with you in God's kingdom, where there will be no more tears, pain, suffering, or goodbyes.

Until then, dear grandson, we will carry your memory in our hearts and strive to honor your life by living out the lessons of love, family, and faith you exemplified to your wife and children.

Rest in peace, love, and God's grace. We love you more than words can ever say.

With all our love,

# FROM FRIENDS & FAMILIES

*You will never be forgotten*

My beloved great grandson LaBront will truly be missed by me, his Nana for he was my #1 great grandson, meaning God bless me with my first granddaughter, Susie, LaBront

Mother; and she gave me my first great grandson, LaBront.

LaBront was kind and considerate of people. He was always willing to help those who were in need. LaBront loved serving the Lord. He began working alongside of me as we prepared for Vacation Bible School (VBS) and continued to work with me as we prepared posters for the Lord's Women's Ministry.

Love,

**Dr. Susie Moor | Great Grandmother**

To my dearest great nephew,

You left too soon for me, but just in Jehovah's time. He has plans for all of his angels. God's promise is a resurrection, and I know I will see you again. In the meantime, you are always with me in my heart. To your beautiful little ones, close your little eyes and think about your daddy, and he will appear in your mind because he will never leave you.

Love,

**Aunt Mona**

Wherever a beautiful soul has been, there is a trail of beautiful memories, and those memories become a valued treasure.

You will always and forever be remembered!

Love,

**Aunt Charlotte**

To my brother,

I'll always hold on to the memories we have, words we spoke, and bond we shared. You'll be forever loved and cherished. This isn't goodbye, this is, see you later.

Love,

**Your brother, Draylon.**

# FROM FRIENDS & FAMILIES

## *You will never be forgotten*

We will always love and cherish LaBront Stone our spiritual nephew. Rest in heavenly peace.

Love,  
**Jacqueline and Micheal Williams**

Every single day, I will miss you deeply. You were like the big brother I always longed for, a guiding light in my life. I cherish the memories of us cooking together in the kitchen, laughter echoing as we shared stories and created delicious meals. Those moments when you patiently taught me new things mean the world to me; you always made me feel valued and seen. I promise to carry your memory with pride, ensuring that your spirit lives on in all I do. You will remain in my heart forever, and your absence will be felt in every moment.

Love,  
**Cousin Veyonte**

La'Bront was a very loving cousin that often checked in on my family when bad weather was in the forecast in Tennessee; he is very special to us and is already missed. His love for his entire family is unmatched. Goodbye for now. We will see you again cousin.

Love,  
**Cousin Ursula**

While I was stationed in Florida, LaBront helped me move into my apartment. Shortly after that he moved into the same apartments and got married to his wife. I just wanted to say thank you to the family for being there when I was stationed in FL. He will be greatly missed. I still have the voice recording from home when he called me during covid. He would come over and we would laugh and crack jokes. I love y'all.

Love,  
**Cousin Kerika**

La'Bront left an everlasting impression on us all. After we got back to Texas, he actually called us multiple times to speak with myself and my kids. We corresponded through FB for a few years, and he was always such a quaint and beautiful soul. Neither of us ever knew of a bad thing your wonderful young man ever said or did. Just from his FB posts, he seemed to be a motivator and always so spiritual. Our hearts are aching for someone we only met once, but during that time, he left a lifelong impression upon us. He'll forever have a place in our hearts. I know he's resting and at peace. A beautiful soul that's with the angels now. You all will forever be in our prayers. Hoping one day we'll see our loved ones again. You did a wonderful job Suzie bringing up your son.

Love from your family,

Love,  
**Glenda, Jasmine, Porsha and Isiah**
